

# TECHNICAL DATA SHEET

Product Name:

**A14 Finishing Polish**

Part. No.	Size	Unit/Case
PURA14-01-003	946ml	6

Description:

A14 FINISHING POLISH is a light lotion compound that is custom designed to remove light imperfections, such as swirls, minor scratches, etc. from delicate paint finishes found on many higher end autos. Use A14 FINISHING POLISH to achieve an ultra mirror-like flawless finish. Body shop safe and VOC compliant.

Directions:

Shake well. Buffer Use: Use a wool pad for moderate imperfections and foam pad for light imperfections. You may use a wool pad first and switch to a foam pad as surface improves. Apply evenly to a cool clean 2 ft by 2 ft area. Begin buffing slowly using light to moderate pressure. Decrease pressure as imperfections disappear. Hand Use: Apply a small amount to area. Using a soft terry cloth towel, rub effected area until desired results are achieved.

General Info:

Danger:

Can cause eye irritation. Excessive inhalation may cause respiratory irritation. Ingestion can cause gastrointestinal irritation. Prolonged skin contact may cause slight irritation.

First Aid:

Eyes: Flush with water for 15 minutes, call physician if irritation persists. Inhalation: Inhalation: Remove to fresh air, call physician if irritation persists. Ingestion: Do not induce vomiting, call physician.
